Four Democrats Win

(Continued from Cover)

ahead of Mr Lombardo in five of the ten districts, almost tied with him in one, and was lower than his running mate in four. Mr. Moore's strongest showing in relation to Mr Lombardo was in District eight, the so-called Gold Coast of the Westcott Road section He tallied 223 to Mr. Lombardo's 183 In a similar district — Number 10, the new district this year—Mr. Moore again ran ahead of his colleague, polling 203 to the Lombardo's 173.

But in the "tree street" District Four, still regarded as a conservative Democratic stronghold in spite of its changing neighborhoods, Mr Lombardo outpolled Mr Moore 237 to 213 In District Three — around Ewing and Harriet Drive; in District Seven which combines the variables of Palmer Square and Humbert Street, and in District Nine, which is Markham Road and Sergeant Street, Mr. Lombardo took around half a dozen more in each district than his running-mate.

Incidentally, the new District 10 made its debut in paradoxical fashion Its two highest candidates were Mr. Moore the Democrat and Mrs. Penick the Republican. This district — where Mrs Penick lives — includes Edgehill, and parts of Hodge and Cleveland Lane.

As usual, Republicans carried District Eight, although Mr. Moore was only 13 behind Mr Pols. That "student" district One encompassing dorms as well as University Place - Dickinson - Edwards faculty, was a Democratic district. The strongest district for the Democrats, proportionately, was District Six in the John Street-Witherspoon area. Mr. Pols only garnered ten votes here, Mrs. Penick 15. "But running for office was the most fun I ever had," she said election night.

In the Township, Mr. Reynolds may take some comfort from returns showing that he, as the incumbent, ran ahead of his Republican running mate Mr. Garretson, in all 13 districts. Mr. Reynolds, conceding defeat, told the Republican gathering, he'd lost 14 pounds campaigning.

Mr Bleiman and Mrs. Peterson found their greatest strength in the Township's biggest district — Six, which stretches from Dorann Avenue to the northern reaches of Mt. Lucas Road. Last week, one Republican worker said "We all work like the devil in Six!" and apparently the Democrats worked it harder.

District Nine, with Riverside Drive and McCosh Circle, known as a district of independents, leaned strongly to the Democratic ticket.

Districts Two, Eight and Eleven are the only ones of the 13 that gave votes to Mr. Garretson and denied them to Mr. Bleiman. That's Eight, in the northwest corner, including Brnokstone and parts of Stuart Road It is Mr Garretson's home district. Number Eleven, the Rosedale and Galbreath area, is sometimes called the Township's "most Republican." In District Two, the Battle Road, Newlin Road area, Mr Garretson won by ten votes.

BACKLASH A FACTOR

In Democratic Swrrp. The voters' first chance in a statewide election to express their disgust with incumbent Republican administrators — and their intended G O.P successors — crushed Congressman Charles W Sandman, Jr. Tuesday in New Jersey's off year gubernatorial race.

In June, Gov. William T Cahill had been ousted by Mr Sandman in a primary contest because the dishonest practices of his associates closely paralleled those of the Nixon regime in Washington. Given a shot at Mr Sandman, a right-wing Republican who ran a left-handed race, the voters buried him by a margin of some 700,000 votes Democrat Brendan T. Byrne, a member of the Princeton Class of 1949 was elected governor by better than 2 to 1.

While the easy victories of most Democratic candidates had been expected, there had been no clear indication of the outcome of the race between William Schluter, the Republican State Senator, and Mrs. Anne Martindell, the Democrat who became the first Princeton woman to hold the office. She will represent the 14th District, which includes part of Mercer, Middlesex, Hunterdon and Morris counties Her Democratic associates in the 14th, Michael Morris and Ted M. Yim, were also elected to seats in the Assembly.

Democratic Freeholders Gilbert W. Lugossy and Paul Sollami, incumbents, swept newcomer Alfred E. Driver into office with them. Their margin was below Judge Byrne's, but nonetheless substantial.

CHARTER STUDY WINS

Three Princetonians Named Mercer County approved by a margin of better than 3 to 2 Tuesday the proposal to create a Charter Study Commission which will review the county's form of government and submit recommendations for changes in its structure. Incomplete returns showed that

of nine victorious candidates seeking places on the commission, three are residents of Princeton. There were 38 names on the ballot.

If a change in the county's form of government is approved by the commission, a question phrasing its recommendations will appear on the 1974 ballot. One of six possible choices open to the commission will be made.

Based on partial returns, Mrs. Nancy H. Schluter of Pennington led Tuesday's balloting for membership on the commission. Mrs. Catherine L. McGrath of Princeton was the only other woman of seven seeking places to win.

They will serve with W. Harry Sayen, Mercer County Republican chairman, and attorney Harry Heher, Jr., both Princeton residents; Gerald R. Stockman, Edward F. Meara, 3rd, Edward P. Lisiecki, Jr., Leonard D. Dileo and Robert R. Klein.

Two state-wide questions were approved by large margins. New Jersey voters backed by better than 3 to 1 the use of six-man juries in civil cases.

Appropriation of $25 million to create facilities to aid severely handicapped children was also passed. The margin here was 2 to 1.

NEARBY RACES SPLIT

G.O.P. Wins Hopewell, Pennington, West Windsor has a Democratic majority for the first time since it became a municipality in 1828. Lawrence Township remained Democratic as expected, but Hopewell Township and the boroughs of Hopewell and Pennington remained Republican, although the Democrats won the only race in Hopewell Township.

In West Windsor, Democrats William A. Stuart and Peter J. Flatow polled respective totals of 1,355 and 1,314. They won over Charles W. Holman, 1,118, and Selden L. Tinsley, 1,190, the outcome giving their party a 3-2 margin on Committee.

A complimentary vote of 1,769 went to Mrs. Eleanor Dearborn, the Democrat candidate for tax assessor. Approximately two-thirds of the electorate went to the polls.

In Lawrence, Democrat Lloyd A. Carver was victorious with 3,366 votes to 3,061 for Thomas H. Mott, the Republican incumbent. Heading the ticket with 3,492 was Committeeman James A. Murphy, a Republican. Democrat Joseph M. Cermele lost with a total of 3,043.

The lone seat being contested in Hopewell Township went to Mrs. Fran Friedermann, a Democrat. She outpolled Richard Van Noy, 2,212 to 2,061, the outcome reducing the Republican majority from 4 to 1 to 3-2.

Anne Martindell
State Senate

Voters in the Township also rejected a proposed shopping mall at the Pennington Circle. The defeat of the referendum by a 2 to 1 margin was indicative of opinion but is not binding on the municipality.

In Hopewell Borough, Herman Espenhorst, a Republican member of Council, won with 213 votes, as did another G.O.P. incumbent, William Walker, with 210. Robert F. Bridger, named to fill the vacancy caused by the death of Edgar Smith, was elected to complete the term when he received 209 votes to 132 for Democrat James Amon.

Pennington Borough returned two Republicans to office. Ezra Bixby received 506 votes and George Pearson 481 to respective totals of 379 and 376 for Patricia Anwyl and Diane Monteleone, the Democratic candidates.

Daylight Holdup in Palmer Square Nets $10,000; Bank Robber Foiled in $5,000 Theft Attempt

An employee of the Nassau Inn on his way to the Princeton Bank & Trust Co. with the weekend receipts was held up Monday morning in front of the Princeton Post Office by an armed gunman who escaped with $10,000 in cash and checks. Included in the haul were United Fund checks, according to John C. Yeoman, treasurer of Palmer Square, Inc. which operates the Inn.

According to police, the messenger, whom they declined to identify, was carrying the receipts in an attache case. As he neared a bench directly across from the entrance to the Post Office, he was approached by a man who had been sitting on the bench. He carried an umbrella in one hand.

As the messenger came abreast of him, he removed a snub-nosed revolver from his coat pocket and jammed it into the messenger's stomach — concealing his action by the partially opened umbrella.

"Drop it!" he ordered. The messenger complied. "Back off!" the gunman commanded next. When the victim stepped back, he grabbed the case and ran to a car parked on Palmer Square, jumping in the back seat. An accomplice at the wheel sped off.

The holdup man was described as white, 22 to 25, 5-5, medium build with dark curly hair, well groomed, wearing a Navy P-Coat jacket and tan trousers. Ptl. Bernard Lenhardt, the first officer to respond, and three detectives have been assigned to continue the investigation. Chief Michael Carnevale invites anyone who may have any information concerning the holdup to call the police confidential hot line, 924-8221.

The holdup took place at approximately 9:10. Police were notified of the theft at 9:49 by a call from Mr. Yeoman.

BANK ROBBER SEIZED

In $5,000 Holdup. A 23-year-old former college student used a bomb threat to get $5,000 from a cashier at the Princeton Bank and Trust Company Friday morning and then surrendered meekly a few minutes later without a fight. His "bomb" turned out to be a bag filled with dirty laundry.

Arrested inside the bank was Curtis D. Reid, 23, of Portland, Ore., a former student at Portland State University. Charged with robbery by the Borough, he was arraigned the same day before Judge Philip Carchman, who ordered him held for grand jury action and remanded to Mercer County Jail.

Borough Chief Michael Carnevale said that the suspect faces charges by the Federal Bureau of Investigation under federal statutes.

According to police, Reid approached a teller in the bank shortly after 9 a.m. and handed her a note demanding $5,000. He told the teller he had a bomb in his canvas satchel which was visible to the teller. She took a canvas bag, put the $5,000 in it and handed it to him.

As he turned and left, the teller, police continued, told the man next in line to Reid, Joseph J. Black of Trenton, "I've been robbed!" and she pointed to Reid. Mr. Black, who is manager of the Singer Store in the 20 Nassau Street building, went over to Reid, placed his hand on his elbow and said, "Come with me." Reid offered no resistance police said.

Mr. Black and a bank officer escorted Reid into the office of Leslie Luck, a bank vice-president, who called police at 9:18. Meantime, Reid's bag which was supposed to have an explosive device inside, was sitting in the middle of the bank.

Police immediately roped off the area, evacuated the bank and the five-story One Palmer Square office building. At 11:02, two members of the bomb squad from the 54th Ordnance Unit at Fort Monmouth arrived and quickly determined the satchel was not dangerous.

Reid had been arrested in the bank by Ptl. Ronald Holliday, who had been summoned by walkie-talkie to the bank.

He handcuffed Reid, read him his rights and a few moments later, assisted by off-duty Ptl. William Fitch, took him to police headquarters.

"We are doing a lot of background investigation on the suspect," commented Chief Carnevale, "and we have not yet been able to find out what brought him to Princeton." The chief added that within an hour of Reid's apprehension, police had established that he had been a patient in a mental institution in Oregon. Reid was described as 5-8, 150 pounds, wearing glasses. His hair is long.

Det. Anthony Ranfone has been placed in charge of the continuing police investigation.

IDA TARGET AGAIN

At Township Meeting. A strong protest against the embattled Institute for Defense Analyses has been raised again. IDA, object of demonstrations by students, faculty and townspeople in past years, plans to construct a building in the Township's Terhune-Ewing area.

Steve Slaby, who would be an IDA neighbor, repeated to Township Commitee Monday night his objections against IDA and those of the Citizens in Search for Peace.

He reminded Committee that the Township's zoning ordinance specifically prohibits certain kinds of installations. It is Mr. Slaby's contention that since IDA is a highly-secret organization whose activities are totally classified, the

A Matter of Degrees

The voters' "no!"
Is colder
Than snow.

The "ayes" and "nays" of Election Day are now part of history, but the time for snow may not be far away. Tuesday's early morning hours in outlying areas of Princeton Township were greeted by enough of a flurry to cover the ground briefly.

Colder than usual for several days, the Man forecasts, with skies partly sunny. He has Friday labelled as a question mark for precipitation, although he doesn't expect it will be white in early November.

Township has no way of knowing what kind of installation it's letting through the door.

"The governing body, the planning board, the building inspector who gives building permits MUST know what a business does," Mr. Slaby argues. "This is impossible in the IDA case. Also, once a Federal installation is in place, a community has little control over what it does."

Mayor Jay Bleiman told Mr. Slaby that IDA hadn't yet applied for a building permit. Administrator Joseph R. Nini said he understood that Thanet Corporation, owner of land IDA wants to build on, was scheduled for appearance this Wednesday before the Princeton Regional Planning Board requesting a waiver of requirements concerning installation of utilities before formal approval is granted.

When Mayor Bleiman said Mr. Slaby's group had the option of seeking a court injunction against IDA, Mr. Slaby replied, "In court, you're competing as a citizen with the Federal government and its unlimited financial resources." He said he and his neighbors, who fought successfully against construction of a main post office building on almost the same location, had spent $4,000 to $5,000 in that court fight.

Mayor Bleiman asked Mr. Slaby to put his IDA objections in writing so that municipal attorney Gordon Griffin can give a legal opinion.

Stop-and-Go. By next August, Princeton may have a traffic signal at the intersection of Kingston Road with Snowden and Riverside. State officials told Mr. Nini they will recommend the light to the Commissioner of Transportation, installation could come about eight months after the Commissioner's approval.

Licensing of bicycles is under consideration, Committee revealed, after passing the supplemental appropriation ordinance for a portion of Franklin Avenue bike-ways. But a lot of practical problems and possible conflicts with state law remain to be solved, Committee acknowledged.

That sidewalk fragment on Ewing won't be built, Committee decided by a 4-1 vote. Residents protested the walk last month. Committee member Barbara Smoyer voiced her colleagues' opinion that the walk wasn't needed, since very young children no longer attend John Witherspoon School. Committeeman William Sutphin, the objector, pointed out that walks exist on other parts of Ewing and indeed had been required of one developer.

Committee introduced an ordinance allowing the Planning Board to waive curb requirements in some situations to allow better water run-off. The ordinance, recommended by the Environmental Commission, has Planning Board approval. Soil permeability, water channeling and a street grade of 3.5 or less, are among factors allowing consideration of a waiver. Public hearing November 19.

ARSON IS BLAMED

In PHS Gym Fire. "Our preliminary report indicates without question that it was arson," stated Chief Michael Carnevale in commenting on a fire Friday afternoon in the girls' locker room at Princeton High School.

A general alarm was sounded at 1:04. No one was injured in the blaze which was confined to 25 wire baskets used to store gym clothes in the locker room area of the girls' gym. The baskets, however, were covered with a plastic coating that sent toxic, and at times heavy, smoke throughout the building. The school was evacuated.

Chief Carnevale reported that samples of clothing have been sent to the State Police labs to determine what type of inflammable accelerant was used. Fires, he said, broke out at several locations in the locker room.

Ptl. Berhard Lenhardt, a member of the police arson squad, and Det. Douglas Watson, the juvenile officer, are continuing the investigation in conjunction with school authorities. "There are suspects," said Chief Carnevale.

Bedroom Fire. Two Borough patrol cars responded to an 11:50 a.m. call last week reporting a fire in a second floor bedroom at the home of Stuart Duncan, 114 Elm Road.

The fire was confined to a chest of drawers. The investigation by Ptl. Charles Harris of the arson squad suggests that an aerosol can stored in the chest may have caused the fire.

BOROUGH WOMAN STRUCK Crossing Moore Street. A 52-year-old Borough woman was struck by a Bell Telephone van at 1 p.m. Monday as she was crossing Moore Street at the intersection of Nassau.

Taken to Princeton Medical Center by the First Aid Squad ambulance was Mrs. Julia Jeffay, 42 Princeton Avenue. She was admitted with a possible cerebral concussion, multiple abrasions and contusions of the body, particularly around the hip. Fourteen sutures were needed to close a laceration of the back of her head.

Charges are pending until Ptl. Ronald Holliday completes his investigation. The truck driver, Francis R. Mains, 23, of Trenton, and two witnesses report the van was traveling slowly as it was making a left turn off Nassau onto Moore. Mr. Mains told police he was going about 5 to 8 miles an hour when suddenly the victim appeared in the corner of his windshield and he struck her.

Mrs. Jeffay, alone at the time, was 18 feet from the crosswalk when struck. She was crossing from the St. Paul's School side toward the center of town. There were no skid marks, police said.

Dump Truck Overturns. A dump truck overturned Friday afternoon at 1:30 when it failed to make a curve coming down Bruere's Hill on Route 206. One passenger was slightly hurt.

The driver, Ronald Lee, 26, of Trenton, told police that as he was rounding a curve he felt the truck's load shift and the steering seemed "tight." He tried to correct but the truck skidded and turned over, flattening a small tree and a "Do Not Pass" sign.

Mr. Lee and Arthur Miller, 40, of Trenton, another passenger, escaped injury. Anderson Young of Trenton, sitting in the middle of the seat, received a sprained right rib.

Ptl. James Vandermark ticketed Mr. Lee for careless driving. Police described the truck as a total wreck.

Two Drivers Injured. Two drivers were injured Sunday afternoon when their cars collided at the intersection of Rosedale and Provinceline Road.

Donald B. Rubin, 29, of Carter Road, traveling on Rosedale, received three sutures for a laceration of the scalp. The entire front end of the car was damaged when, his brakes on, he skidded into the side of a station wagon operated by Stella Fruscione, 38, of Trenton.

Mrs. Fruscione, who was ticketed by Ptl. David Cromwell for failing to stop, sustained a contusion of the head. She told the officer that she did not see the stop sign. A passenger in her car, six-year-old Salvatore L. Fior, also was treated for a contusion of the head.

Coed Struck by Bus. A Princeton University coed, Valerie King, 21, 409 Princeton Inn, was struck by a bus Thursday afternoon as she attempted to bicycle across Washington Road near Prospect. She was treated at the Medical Center for concussion and contusions of the forehead.

Police issued no summonses. The driver of the bus was identified as Kathleen A Conklin, 21, of Princeton Junction, driving a Lloyd's Transit Corp. bus headquartered on Route 1. Ptl. David Lewis, who interviewed the driver and victim after the incident quoted Miss King as saying, "I saw the bus coming, I think, and I thought I could make it across the street. So I went."

Branch Post Office Ready

A Christmas holiday substation of the Princeton Post Office will open at 10 Monday in the Princeton Shopping Center, between the Balt Bakery and the Space Shack, facing North Harrison Street.

Basil Ferrara, Princeton's postmaster, says the temporary post office will be open from 10 to 4:45 (closed for lunch, 2 2:30) five days a week until about December 22. Mr. Ferrara hasn't decided yet about Saturdays, but the substation may be opened for about two hours on Saturdays.

The space is being donated (including utilities) by the Shopping Center's management. The idea is Ben Levine's — he's owner of Claridge Wine and Liquor in the Center — and the agreement was worked out by Mr. Levine, Mr. Ferrara and Harold Goldberg, Center manager.

THREE ARE ARRESTED For Various Crimes. Borough police last week arrested three persons charged with separate crimes. All were scheduled to appear in Borough Court this Wednesday.

William G. Spring of Spring Street was arrested early Monday morning and charged with possession of a firearm. Police received a call from University security at 3:15 reporting discovering a rifle on a front seat of a car parked on Ivy Lane off Washington Road.

Police confiscated a 30 06 rifle, which was not loaded, and some cartridges. Mr. Spring was issued a complaint summons.

Deborah C. Page, 22, 7 Leigh Avenue, was arrested at 1:25 Saturday morning by Sgt John Bellow who charged her with possession of a stolen car.

The car, owned by the Hertz Corporation, was allegedly taken from a service station in West Windsor. The defendant was later released in $250 bail set by Judge Philip Carchman.

William Bovino, 18, Princeton Pike, has been charged with possession of under 25 grams of marijuana following his arrest last week by Borough police who later released him in his own recognizance.

He was arrested by Det. Timothy Huizing who allegedly observed him smoking the drug in a truck parked in a driveway at 141 Hodge Road.

Winds at 58 mph Fell Many Trees and Wires

Within a brief period of no more than 10 minutes Thursday afternoon, Mother Nature turned on Princeton with a fury that was anything but maternal.

Sudden winds, whose peaks were measured at 58 miles an hour in the Princeton area, toppled scores of huge trees. In many instances, the trees fell against electric power or telephone lines creating additional hazards, and cutting off power in some areas.

Despite the intensity of the winds, police report only one injury. Lawrence Watson, 71, an employee of the Nassau Inn who rooms at 138 John Street, was pinned when a large tree on the property of Dorothea House, 120 John Street, fell on him.

Masan Smith, 31 Green Street, who works with Mr. Watson and who was with him when the mishap occurred, struggled for several minutes with the aid of neighbors to free the victim. He was taken later by ambulance to Princeton Medical Center and admitted for treatment of a broken leg, arm and lacerations of the forehead.

Traffic Blocked. Another huge tree a short distance away fell across John Street, blocking traffic for hours and causing the suspension of electric and telephone service. One of the storm's victims was historic Mercer Elm which lost two huge branches and its lovely symmetry.

The tree was wired for protection against lightning but there was no defense against the wind. A huge pine tree across the other side of Mercer Road toppled onto Public Service wires, snapping a pole and causing the wires to loop dangerously close to the roadway.

Township police listed 11 roads blocked by fallen trees: Harrison, Mercer Road, Alexander, Longview Drive, Mountain Avenue, Wilson Road, Walnut Lane, Snowden Lane, Lovers Lane, Grover Avenue and Journey's End Lane. Two trees were down on Mercer and Lovers Lane.

"I know the power was out for about an hour on Birch Avenue," said Township Chief Frederick Porter, "because I had to reset my clocks when I got home." He praised the work of the First Aid and Rescue Squad for helping to clear roads and remove hot wires with their insulated poles. "They did an excellent job in conjunction with the engineering department."

Chief Porter reported that when he answered one call, a young woman cried, "There's a tree lying across my car and there's a hot wire with it."

Borough police listed 13 streets blocked by fallen tress including Mercer, Stockton, Elm, Washington Road, and all of John. They reported gale winds striking at 2:40 p.m. The Borough engineering crew worked late into the night cleaning up the debris, under the direction of Assistant Engineer George Olexa.

Princeton weatherman David Ludlum of Science Associates described the storm as a line squall, which moves down often before a cold front. Actually, he said, the colder air was delayed; when it finally arrived from the Pennsylvania mountains, it had built up extreme momentum which gave the squall a big push. It was a long line extending from New York State to Maryland, he said.

The severest part of the storm lasted about 10 minutes at the most, Mr. Ludlum recalled, but we had strong winds of 25 miles an hour for about 30 minutes. "It was one of the severest I've seen in a number of years as far as the amount of damage. Hurricanes do similiar damage but they have sustained winds."

A number of trees were down in the Riverside area where he lives, Mr. Ludlum added. One apple tree, he said, was lifted right up by the roots.

ALL IN ABOUT 10 MINUTES: The statuesque Mercer Oak (top) lost a third of its branches and much of its symmetry in Thursday's wind storm. A man was injured when this big tree (center) fell on John Street, while the house at 36 Mercer Street narrowly averted major damage from a large tree that fell between it and the house at 38 Mercer. TWO HOMES ENTERED

But Nothing Is Taken. Two homes in the Township were broken into during the weekend but in each entry nothing was taken. Detective Samuel Bianco reported that the entries appeared to be the work of juveniles.

A cellar window was pried open to gain entry to a Jefferson Road home, where police said, "a drawer or two were pulled out." The entry was discovered by the owner who had been away. A pane of glass in a rear door was broken to get inside a home on Carnegie Drive. A few rooms were searched, police said, but again nothing was reported missing by the owner.

Windows Smashed. Police also report malicious damage Halloween night to a home under construction on Battle Road. Six windows were smashed with rocks causing damage estimated at $150. Balestrieri & Pearson are the builders.

TO URGE IMPEACHMENT

Students Head for Washington. The Princeton University Ad Hoc Committee for the Impeachment of the President announced today that it will send a delegation of Princeton students to Washington, this Thursday, to lobby for impeachment.

All Princeton students are welcome to participate. Those wishing to do so should contact Marcia August at 452-0984 and attend a meeting Wednesday night at 8 in the lobby of Wilcox Hall.

The delegation will travel to Washington by chartered bus, leaving the Alexander Hall parking lot at 6 a.m. Thursday and returning by 9 p.m. Upon arriving in Washington, it will be briefed by representatives of national lobbying

JEWISH APPEAL SET

Aid to Israel Sought. Princeton chapter of the United Jewish Appeal will open the 1974 campaign under the direction of Jess Epstein as general chairman.

He will be assisted by Dr Arthur Fein and Peter Nathan as executive vice-chairmen; Robert Alpert, financial secretary; Jack Avins, treasurer; Mrs. Arthur Tobolsky, corresponding secretary; Mrs. Leonard Etz, corresponding secretary; Mrs. Stuart Schwartz, public affairs chairman. New members on the executive board are Mark Grossman, Mrs. Alvin Gordan, Mrs. Myles Kranzler, Dr. Burton Peskin, Mrs. W. Gips, and Mrs. L. Wile.

The 1974 drive will begin early this year because of grave economic crisis created in Israel by the war. "Decent housing and medical care for new immigrants, and other vital social services can continue only with the help of the United Jewish Appeal," Mr. Epstein said. For this reason, Israel, burdened by phenomenal war costs, has asked the UJA to assume responsibility for the entire social welfare budget, a budget of $750,000,000.

WAR WORKER RETURNS

From Jerusalem Hospital. After three weeks of medical service in the Hadassah Hospital in Jerusalem, Dr. Henry Abrams, a Princeton ophthalmologist, has returned home to 44 Armour Road.

Dr. Abrams was one of many volunteer American medics and nurses working to help ease the suffering of those wounded on the front lines of the Middle East war.

The use of tanks and missiles in this war, wrote Dr. Abrams to his wife, "was like me, who has been in practice over 35 years."

He continued, "I keep thinking of the American Civil War, and its descriptions of battles and wounded . . . whenever a load of badly wounded are brought in on stretchers, moaning, filthy, burned and broken."

Dr. Abrams lived on the hospital premises in a ward converted into makeshift quarters for volunteer doctors.

AROUND THE WORLD . . .

At "Y" Festival. A one-day tour of the world will be offered to children (and adults) who spend this Saturday at the 24th annual YWCA International Festival. The tour starts at 10 and will continue until 6, with international shopping, foreign gourmet food and international entertainment.

This Friday, starting at 8:30 p.m., an International Festival Revue will start things off. A belly dancer, Norwegian folk-dancers, and American folk-singers will all take part.

Then on Saturday when the doors open, shoppers may browse through a collection of imported jewelry, clothing, dolls, games and toys.

Children can watch demonstrations by the Chinese artist I-Han Chiana and craftswoman Til Miller, who makes paper hats. Animated films from foreign lands will give a change of pace from Disney. In the arts-and-crafts room, artists will show how to make paper flowers, do tie-dyeing and become an expert in origami.

At the International Restaurant, there will be a traditional coffee hour, followed by lunch with things like French quiche, Indian samosas, and samples from the Swedish, Chinese and Ukrainian cuisine. English tea will offer sandwiches and biscuits later in the day. A special children's lunch of sandwiches and hot dogs will be available all day.

TABLET DEDICATED

Honoring Sen. & Mrs. Smith. Members of Congress, together with representatives of the University and the Princeton community, attended a ceremony in the University Chapel Saturday in honor of the late Senator H. Alexander Smith and Mrs. Smith. A stone tablet engraved in their memory and given by their daughters, Mrs. Samuel M. Shoemaker and Mrs. H. Kenaston Twitchell, was dedicated by the Dean of the Chapel, the Rev. Ernest Gordon, at its place in the wall of the nave.

Attending the ceremony were U.S. Senators Clifford P. Case (Republican) and Harrison Williams, Jr., (Democrat); Representatives Peter H.B. Frelinghuysen and William B. Widnall (Republican). The University and community were represented by former University President Harold S. Dodds, Professor Arthur S. Link, University Librarian McCord, President of the Theological Seminary; Professor George F. Kennan, of the Institute for Advanced Study, and a hundred others.

Alumni present included Edward T. Casebolt, '01; David McAlpin and Hanford M. Twitchell, '20; Charles R. Erdman, '19, J. Henry Leh and others of the Class of '21, of which Senator Smith had been an Honorary Member; and other Alumni from the classes of '23, '24, '35, '36 and '50.

Dean Gordon spoke at the ceremony of Senator Smith's integrity in government, and his service in foreign relations. Recalled by other guests were his belief that higher education should produce higher values, a conviction he tried to implement in the years following World War I as Executive Secretary of the University.

Others spoke of his service, after 14 years in the Senate, as liaison between the late Secretary of State, John Foster Dulles and the Foreign Relations Committee of the Senate on which Senator Smith served for a decade. It was also recalled that some of his forebears had had a part in the founding of the State of New Jersey.

After the ceremony, Mrs. Shoemaker and Mrs. Twitchell co-hosted a buffet luncheon for the representatives and their wives at the home of Mr. and Mrs. Twitchell and their daughter, Patricia, at 81 Alexander Street. Before the luncheon, a special prayer of thanks was offered by Dean Gordon in memory of Mrs. Smith, who, with the Senator had created and lived for many years in that home. Four of the grandchildren, and four of their great-grandchildren were in Princeton for the occasion.

News Of The THEATRES

"THE ENTERTAINER"

Next, at McCarter. In the role created by Sir Lawrence Olivier, McCarter's repertory company will present Robert Pastene as "The Entertainer," when John Osborne's play opens this Thursday night.

As Archie Rice, Mr. Pastene will play the old English music-hall entertainer and in a way it's natural: the actor began his professional career more than 30 years ago and for the past ten years has been one of the leading members of the Tyrone Guthrie Theatr Company in Minneapolis. He has played in more than 100 cities throughout the United States, and has appeared in New York in 14 productions, both on and off Broadway.

—

Others in the cast of "The Entertainer" are I. M. Hobson (Medvedenko in the McCarter "The Sea Gull"); Barbara Tarbuck, who will be a representative of the angry-young in the 1950s, about whom Osborne has written so powerfully; Alice Drummond (Pauline in "The Sea Gull"); Randal Chicoine, who will be Archie's 19-year-old son; Humphrey Davis as Archie's brother, and Andrew Bloch as a nephew.

"The Entertainer" will run through November 25. Tickets are on sale at the box-office for all performances.

ALBEE, IN GARDEN

With Community Players. Money, suburban matrons and suburban men star in Edward Albee's "Everything in the Garden," a bitter comedy which may strike home to a Princetonian or two. It will open this Friday at 8:30 p.m. in the Little Theatre of the Unitarian Church under the banner of Princeton Community Players.

Allan R. Pierce is directing, and it's his sixth play for the Players. Mr. Pierce is head of the English and drama department at Rutgers Prep., and he spent this summer studying with Gene Frankel in New York and guiding the new Fox Run Theatre in Plainsboro through its initial season and "Spoon River Anthology."

—

Dirck Dimock has designed the set for "Everything in the Garden" and Bill Mudie is stage managing. Curt Hall is in charge of lighting; Liz Bulloch and Wendi Halt of props and Bonita Watterworth, costumes. Norman Washburne is the sound man and Anne Bredon is backstage co-ordinator.

After this Friday's opening, performances will be given Saturday and Sunday at 8:30 p.m., and next Thursday, Friday and Saturday, November 15, 16 and 17, all at 8:30. Students, with identification may

THIS WEEK-END. . . .

Two, at Intime. "Balls" is a short play about the last two inhabitants of a graveyard, waiting to be washed out to sea. "The Successful Life of 3" is about He, She and 3.

Both are funny, "3" especially so, according to Theatre Intime, which will be offering the pair this weekend in Murray Theatre. The dual bill will open this Thursday at 8.30 p.m., playing again this Friday and Saturday and next Thursday, Friday and Saturday, all at 8:30.

. . .FROM THE SOUTH

To Alexander Hall. Lynyrd Skynyrd (pronounced "leh-nerd' skin-nerd", so McCarter says) will make their very first New Jersey concert appearance this Saturday at 8 p.m. in Alexander Hall. If you have tickets for an 11 p.m. performance previously announced, you can exchange them at the box-office; there won't be any 11 p.m. show.

Lynyrd Skynyrd, pronounced however you feel like it, is one of the south's newest rock-and-roll bands, combining southern rock; down home, foot-stomping blues and even —melody. The seven members of the band, all southern, live on a 250-acre farm outside Jacksonville, Florida.

Next Saturday, November 17, at 8 p.m., more southerners at Alexander Hall: the Marshall Tucker Band, called by some of the finest "southern country-rock" band since the Allman Brothers.

Saturday, November 24, the English group, Genesis, will come back to Alexander. (They gave their first American concert there last spring.) In response to popular demand, they're going to give a second show at 11 p.m. First one at 8.

FROM INDIA

Kathakali Dancing. A complete performance of the traditional Indian legend the Ramayana will be given by dancers of the Kerala Kalamandalam Kathakali Company when they come to McCarter next Monday at 8 p.m.

Actor-dancers in Kathakali do not follow a set routine, but give varying performances each time, improvising freely and perhaps interpreting the roles in different fashion from dancers in previous performances.

Musicians receive a long training. Percussion, conch shell ("sankhu") and voice are the only instruments used. The percussion instruments can produce any tone, from gentle tones required in a love scene to cacophony for a battle.

CHARLIE BROWN

From Triangle. "You're A Good Man, Charlie Brown" will be the second annual fall workshop production from the atelier of Triangle Club. It will be given public performances this Friday and Saturday, and next Friday Saturday at 8 p.m. in Room 01, 185 Nassau Street, the former Nassau Street School building. A matinee will be given this Sunday at 2 p.m.

Triangle alumnus Clark Gesner is the author, along with Charles Schultz, who wasn't a Triangle alumnus. The show traces the lives of the various "Peanuts" characters — Linus and Lucy, Patty and Schroeder and of course, Charlie himself. It ran a long time off Broadway.

Tickets for the workshop presentation are on sale at the McCarter box-office at $2.50

PLAYHOUSE

State of Siege. A brilliant, fact-based film by the French Director Costa-Gavras that deals in near-documentary style about a political kidnapping and assassination of an American official in Latin America.

Costa-Gavras, who directed "Z", presents us with an up-to-date Americanized country in the grip of a military regime that suppresses free speech and free movement. The latter is aided and abetted by American know-how, guns and tax dollars. The film is controversial, yes, but it refuses to propagandize and it is at the same time both a fascinating thriller and a horrifying political revelation of American involvement in suppressing political dissent in Latin America.

Basically, the story tells of the kidnapping and death similar to the murder in Uruguay several years ago of the American Dan Mitrione — superbly portrayed with forceful quiet in "State of Siege" by Yves Montand.

The rebel kidnappers make the usual demand for the release of political prisoners. The government does a lot of blathering, including some consulting with U.S. officials, but eventually sits back and in essence says, "Go ahead. Kill him, and see if it does you any good." Eventually more out of pique than any revolutionary action, they decide to kill him.

The film does not advocate murder or make it in any way desirable; just chillingly inevitable. And it masterfully records the stomach-turning frustration that brought it all about.

In the long run, "State of Siege" is less of an accusation against us than it is a warning to everyone. How does one object to something he doesn't like? This film has no answer and that is what stays to haunt.

Dear River's Edge,

My husband and I aren't speaking. He's a turkey plucker and he refuses to eat Thanksgiving dinner because I insist on a traditional turkey dinner. Who's right and what can I do?

Fuss 'n Feathers

Dear Fuss,

You both are. Bring him to the River's Edge and let him enjoy prime rib or lobster or steak while you have the holiday bird and all the trimmings---without ruffling your feathers in the kitchen.

* * * * *

Dear River's Edge,

We want to take a holiday drive on Thanksgiving Day, but now we have guests and more family coming who want Thanksgiving dinner in the afternoon. How can we make everyone happy?

Driving Me Crazy

Dear Driving,

Tell them they can watch the afternoon sunset on the river while they're dining at the River's Edge after a relaxing drive. Either of our beautiful river-or-garden-view rooms will put everyone in a good mood---and we're serving all Thanksgiving Day, from 12:30 right through to 9:30 p.m.---but make your reservations early (like now!).

English Sinfonia Gives "Lacklustre" Concert

Within a span of three weeks, Princeton concert-goers have had an opportunity to listen to three string ensemble groups; two from the Music from Marlboro Foundation, and this past Monday evening, the English Sinfonia of London, conducted by Neville Dilkes. The English chamber ensemble is made up of 15 strings, augmented by two horns, oboe, flute and clarinet. There were three selections on the program which included a solo harp with Nicanor Zabaleta, harpist.

The program consisted of the Symphony No. 44 in E Minor ("Trauersymphonie") by Haydn, two impressionists period works; the "Danse Sacree et Danse Profane" for Harp and strings by Debussy; and the "Introduction and Allegro" for Solo Harp, Flute, Clarinet and Strings by Ravel. After intermission came the Variations on a Theme of Frank Bridge for String Orchestra, Op. 10 by Benjamin Britten. The concert concluded with the Concerto in C Major for Flute, Harp and Orchestra, K. 299 by Mozart, John Solum, flute and Nicanor Zabaleta, harp.

It would be nice to report that the English Sinfonia performed with the same elan as its predecessor, the Brandenburg Ensemble, but such was hardly the case. The strings of the English Sinfonia simply lacked body.

Throughout the evening these musicians played in a lacklustre fashion, often as if they had mutes on (the impressionist pieces notwithstanding.) The Haydn Symphony No. 44 was accorded a reading that one might expect from a better than average conservatory orchestra.

The ensemble playing was coarse at times, with the horn intruding too forcefully and slightly sharp at several points in the first and second movements. The strings played a bit sloppily at times and the intonation occasionally went awry. All things considered, these questionable traits might be forgiven if there were some evidence of spirit to the performance, but there was virtually none.

The Debussy did not fare much better, despite Mr. Zabaleta's articulate playing. The work, to begin with, is not especially strong among Debussy's canon of extraordinary compositions. The strings perform a secondary role, a foil for the harp, but even the harp part is not very interesting music.

The Ravel, "Introduction and Allegro," is a better work, warm and romantic, but in Mr. Dilkes' interpretation, the score was rendered as unimaginatively as the preceding compositions. The lines had no character. There were some awkward ensemble errors and in general, much colorless string sonority throughout the piece which was intended as a lush, almost voluptuous romantic work.

Some like their music lean. Others like it fat and juicy. This reviewer merely likes to hear each work performed in the proper spirit its creator intended for it.

It may be authentically correct to present a Haydn symphony with three desks of 1st violins, two of seconds, three violas, two violincelli, one double bass, one or two oboes and two french horns. This is unquestionably more in keeping with the ensemble arrangement Haydn knew and composed for; but unless the performances breathe renewed life into the work at hand, the authenticity becomes a moot point indeed

ORGAN RECITAL PLANNED

In Westminster Series. One of the world's most prominent organists, Marie-Claire Alain, will present a recital on Wednesday, November 14, at The Lawrenceville School. Part of the 1973-74 Westminster Choir College President's Series, the recital will begin at 8 p.m. in the Edith Memorial Chapel.

The President's Series is offered to the community free of charge, but tickets are required and may be picked up at the reception desk in Williamson Hall on the Westminster campus beginning Monday, November 5.

Miss Alain was born into a French family of musicians who influenced her vocation and musical ability. She decided to become an organist in order to introduce the works of her late brother, Jehan Alain, to the public. Alain, who was also a gifted organist, became famous for his compositions despite his premature death in 1940.

Miss Alain has made 80 recordings, including the complete organ works of J.S. Bach which took seven years of research and concentrated effort. She is the winner of eight Grand Prix du Disque.

Re-Cycling in a Slump

Township re-cycling is slacking off, warned Engineer Joseph Hodak Monday night. In the Township, the Rescue Mission collects tied-up newspapers and mixed clear-and-colored glass on alternate weeks.

Next Monday, November 12, is collection week and Mr. Hodak's message was — keep those bottles and newspapers comin', folks.

Scavenging has been a problem — professionals scoop up newspaper bundles before the Mission trucks arrive — and so has rainy weather.

Householders with questions, or householders who think the Rescue Mission truck has passed them by, are urged to call 921-7077.

Reeyeling Schedule

Borough: Wednesday, November 14, 5th week, CLEAR GLASS.

Township: Next collection begins week of November 11.

Newspapers and magazines tied in separate bundles; clear and colored glass in separate containers. Collection by voting district: Monday No. 2, 3, 9, and 12; Tuesday 5 and 10; Wednesday, 1 and 4; Thursday, 6 and 7; and Friday 8, 11 and 13.

Hopewell Valley Area: 9 a.m. to noon, first and third Saturdays at the Hopewell Township landfill, second Saturday at the Pennington Firehouse, Broemel Place. Paper metal and glass will be accepted. The Rockwell Manufacturing Co., Somerset Street, Hopewell Borough, will accept recycled material daily.

LOWER EARNINGS LISTED

At Applied Research. Princeton Applied Research Corporation reported sales of $1,650,800 and earnings of $4,600 or one cent per share for the third quarter ended September 30. Comparable figures for the same period last year were sales of $1,367,400 and earnings of $55,600 or six cents per share.

For the nine-month period ended September 30, sales were $4,609,200 as compared to $4,316,500 in 1972. A net loss of $20,900 or two cents per share was incurred for the nine-month period in 1973 as compared to income before extraordinary items of $185,900 or 21 cents per share in 1972.

The company stated that the loss in the nine-month period was attributable to increased operating expenses primarily incurred in subsidiary operations. Lower earnings in the third quarter were accentuated by above-average manufacturing costs associated with start-up of several new products.

In addition, shipments were running about 10% below a rate consistent with new order bookings which increased by 28.5% in the third quarter and 16% for the nine month period. The company reported a backlog of unfilled orders at September 30 of $1,061,000, compared to $560,000 on September 30, 1972.

WHAT WE DO TO MAKE YELLOW PAGES ADVERTISING RELIABLE AND HELPFUL.

A good ad doesn't have to promise the moon and the sky to make a sale. And that's what we tell our Yellow Pages advertisers. Play it straight. Be truthful, factual and informative.

And to help them do it, we work with them to see that their advertising copy is clear, meaningful and correct. We guide our advertisers on how to write an effective ad that tells the reader what he wants to know.

To make it in the Yellow Pages, ads must meet our high standards, as well as those set by Federal and State laws. To insure they do, each ad is checked and rechecked all along the line. It must be factual, informative, forthright.

Advertisers must be able to substantiate their claims. Statements of certification, authorization and accreditation must be documented or sworn to. Words like 'guarantee' and 'warranty' cannot be used unless the terms of the agreement are clearly spelled out or qualified.

Why do we go to such great lengths to separate fact from fiction? Because we want you to use the Yellow Pages

And know that when you do, what you see is what you get.

Traffic Improved

Just a week after Township police assumed jurisdiction of traffic and parking at the Princeton Shopping Center, Sgt. Anthony Nini, Township Traffic Officer, was able to report, "I think it's working out pretty well. It's improved just with warnings."

During a grace period while upright directional signs are installed and all the parking stalls repainted, police are issuing warning notices to traffic and parking violators. More than 300 have been issued, including a high of 107 last Tuesday, the first day. By Monday, seven days later, the number had dropped to 11. Sgt. Nini said that police would "probably" start issuing tickets next week.

He attributed part of the success to the merchants themselves who used to park next to the buildings. Now they are parking out in the lot, he said. Police patrol the area approximately once every 40 minutes.

VETERANS SERVICE SET For November 11. Despite New Jersey legislation which has established the fourth Monday in October as Veterans' Day, American Legion Post 76 of Princeton has scheduled two brief ceremonies marking traditional Veterans' Day, Sunday, November 11.

The first will be at 11 a.m. at the Soldiers and Sailors Monument at Bayard and Stockton Streets. The second will be at noon in front of the West Windsor Township Hall in Dutch Neck.

Post Commander Sal Baldino will lead the ceremonies. The Rev. William E. Tucker, Pastor Emeritus of St. Andrew's Presbyterian Church will offer prayers and benediction.

CROSSTOWN-62 UNDERWAY For Senior Citizens. Registration for Crosstown-62, Princeton's 25 cents a ride transportation system for senior citizens, has reached nearly 200.

Princeton residents 62 or over may register for the service at either Borough or Township offices or at the Public Library.

Participants must reserve their ride 24 hours in advance by calling Sandie Rabinowitz, at 924 6176, from 9 to noon. She organizes the daily schedule and confirms each request.

RESCUE SQUAD FORMING In Plainsboro. If an $8,000 fund drive scheduled for November 16-18 is successful, Plainsboro Township should have its own volunteer rescue squad in operation by January 1.

Plans for the rescue squad began last June. Standard and advanced first aid courses were held throughout the summer. Cardio-pulmonary resuscitation classes currently are being held.

Persons wishing to donate money, time or equipment are urged to contact the Plainsboro Rescue Squad, P. O. Box 76, Plainsboro. Residents of Princeton Meadows may donate money at the Leasing Office.

BOOK FAIR PLANNED At Jewish Center. To mark Jewish Book Month, the Women's Division of the Princeton Jewish Center, 435 Nassau Street, will sponsor a book fair Sunday through Tuesday.

Maxine Gurk, nursery school teacher and story teller, will hold a story hour for children 4 to 7 on Sunday at 3:30. Hours for the fair are: Sunday 10 to 8; Monday and Tuesday 10:30 to 6.

The Princeton Public Library is joining the Center in emphasizing the importance of Jewish books for people of all religions and has planned a special exhibit of Jewish and Israeli books. Jewish Book Month, which occurs in the month preceding Chanukkah, will last from November 16 through December 16 and will mark the 25th anniversary of Israel.

To usher in Jewish Book Month, a special program will be held at the Center on Friday. The regular evening services will offer relevant readings; rare old volumes of Judaica will be displayed and a panel discussion on Jewish literature will follow the service.

PANCAKE FUND RAISING For 'Y' Summer Camp. The YMCA Lumberjack Pancake Breakfast will be held Saturday, November 17, from 8 to 11 a.m. at the YMCA on Avalon Place. Tickets are available for $1.50 apiece for one or two persons, or $1.25 apiece for families of three or more.

The breakfast is being sponsored by the Nova Scotia Ranger Club. Its members, boys 11 and 12 years old, are raising funds for their stay at the YMCA Summer Ranger Camp and a planned two-week trip to Nova Scotia.

Tickets are available from any Nova Scotia Club member, or at the Y, 924-4825, or at the door.

325 BIKES REGISTERED In West Windsor. The first bicycle registration program sponsored by the West Windsor Recreation Committee and Police Department resulted in the inspection and registration of 325 bicycles.

So many bikes in West Windsor remain unregistered, however, that the two organizations plan to repeat their effort in the spring.

Purpose of the registration is to aid in the recovery of stolen bicycles and to increase awareness of bicycle safety.

In the recently concluded drive Sgt. Bruce Wauters inspected each bicycle for structural defects. A safety pamphlet and reflector tape supplied by Nassau Savings and Loan Association were given to each registrant for his bicycle.

We want you to stop bothering our service representatives.

Quite the contrary. Any time you have a question or problem with your phone service, we want to hear about it. And generally, the person to call is your service representative.

It's his or her job to solve your problems—no matter how big or small—as well as answer any questions you might have. That's why we have service representatives—to bridge the gap between you and us...and to provide the personalized service we want you to have.

To you the rep might be the voice of the phone company. To us, he or she is the voice of the public. So any time you want to make your voice heard, call your local Telephone Business Office and ask for a service representative.

IT'S NEW To Us

FROM FLEMINGTON . . .

Three Unique Stores. Flemington is a most enjoyable town for an afternoon of shopping, and at this time of year there is the added bonus of a lovely drive. The other afternoon while exploring parts of this town we visited three stores that have moved within the last year to the Air Park Realty Building at 160 Main Street.

Facing a hefty rent increase, last May, Paul Rickolt moved the Freight Station to this new spot from its previous location at Turntable Junction. However the store continues to carry many interesting handcrafted designs, many by local artists.

Some of the most intriguing work in the store is a collection of spoon sculptures by Karl Schneider. Spoons from many different patterns have been bent into mushrooms, flowers, a knight, a violinist and even a dragon fly, $9.50 to $18.50.

We also liked the brass squares that Joseph Gardner has grouped to form interesting wall sculptures, $20 and $30; and handcrafted clocks with brass or wrought iron nailheads marking the hours on driftwood, $35 and $50.

Jay Schoch, a carpenter from Muncy, Pa., has carved some lovely mallard and elder ducks from pine and painted them authentic colors, $35 and $45. Then there are museum reproductions in terra cotta of sculptures by Betty Burroughs Woodhouse and Janet P. Borden. A child curled up as if asleep in a crib is $14.50 and a larger sculpture of a child intent at play called "Busy" is $40.

The Freight Station has some earth colored pottery by Ann Gattuso. She has made casseroles, pitchers and plates, but our favorites were the hanging planters on macramed hemp, $18.

Two smaller items we liked were a wrought iron circle of spokes that is a fascinating tie rack, $3.95, and a clear ruler with black Picasso sketches, $6. Both are at the Freight Station which is open seven days a week from 10:30 to 5:30.

Next we visited Gary Slocum Designs, also located at 160 Main Street, a showroom and workshop devoted to 14 kt. gold and sterling silver jewelry.

With a background in jewelry design at the Philadelphia College of Art and three years as a model maker for designers in New York where he learned all the subtle differences in working with gold and silver, Mr. Slocum began to create his own jewelry.

He will meet whatever requests you have in creating his one-of-a-kind designs. In his workshop he is currently working on two spoon rings and a bracelet with three turquoise stones set on curved silver wires. We also saw a finished ring with a rough emerald and two small diamonds set in twisted gold wire.

Mr. Slocum will redesign your jewelry, work with your stones, or you can choose from his collection. For example, he showed us some lovely opals, Mexican, white Australian and Black Boulder ones.

There is also a manufactured line of jewelry designed by Mr. Slocum. He showed us how he carves a design in wax and then has a mold cast, into which can pour molten silver. His animal line consists of an elephant, turtle, frog, butterfly and owl, which he makes into pins, pendants, rings or cufflinks, $15 for sterling silver.

His newest manufactured piece is a 14 kt. gold Jonathan Livingston Seagull pin or pendant. It has three small sea gulls arranged in flight, each with a different finish, $65.

Although his wife and an art student help with the production of the manufactured pieces, Mr. Slocum does all the original work and custom designing. He therefore has a limited amount of time and so for Christmas he is carrying a line of American Indian jewelry and will also have one showcase containing handcrafted jewelry by other people.

The Indian jewelry is priced from $5 to $800 and includes rings, bracelets and necklaces. Mr. Slocum showed us two very elaborate pieces, a $400 all sterling squash blossom that is worn like a necklace and an antique concha belt with turquoise stones.

The store also has a small gift line of metal sculptures and mineral rocks such as quartz, amethyst or mica set in display stands.

If you are interested in learning about jewelry making, Mr. Slocum will begin teaching at the Hunterdon County adult school in February. In the meantime, the store and workshop are well

Pharmacy Footnotes

by Mel Atlas, Reg. Pharm.

Your heart produces two sounds with every cycle of beating. The first sound is dull and is caused by vibration and contraction of some parts of the heart. The second sound is sharp and is caused by sudden closing of some of the valves in the heart. Diseases can often be detected by the sounds of the heart. If they are abnormal, it may be due to some disease-caused abnormality. You wouldn't think two simple sounds could be so important!

Greeting cards and candy are always appropriate gifts for any occasion and at THE FORER PHARMACY, 160 Witherspoon we have a great selection to choose from. worth a visit any Tuesday through Sunday from 11 to 5.

In this same building we visited Ink River Frame Gallery where Jim Teyhen and Nancy Friedman seem to thrive on unusual framing.

For instance, we saw a manuscript page from a 15th century Book of Hours that is set between two blue velvet mats and double glass because the back of this page is as lovely as the front and should also be visible, $47.75 framed.

We were also fascinated by a Chinese stencil on two pieces of paper that have been placed over silk threads. This intricate and delicate work has been framed with double glass and backed by white silk so the textures will be preserved, about $50.

As the above indicates, Jim and Nancy try to keep the prices reasonable, and one way they manage this is to search for good buys on moldings. They also enjoy antique art and there is a drawer filled with manuscript pages, musical scores, old valentines and even 30 pages of magnificently drawn Chinese torture.

There is a collection of hand silk screened prints by Allan Saalburg of Americana he studies in various museums; and limited edition prints of 19th century woodcuts that Nancy has hand colored, such as a black-capped chickadee that is $12 framed.

We also liked the Navajo sandpaintings, $8.50 to $30; mirrors with silk screened Renaissance borders, $11 and up; and the Dover coloring books of wild flowers, Alice in Wonderland, and even stained glass on parchment paper so the finished pictures can be placed on a window, $1.25 and $1.50.

Ink River Frame Gallery is open daily from 10 to 5:30, and all three of the above stores are at 160 Main Street, Flemington.

SPORTS FANS!

I BET YOU DIDN'T KNOW

Brought to you
By John Bernard

Here's an amazing football fact. Notre Dame has lost its first game of the season only three times in the last 76 years! The only times since 1897 that the Irish have lost their opening game of the season were in 1934 when Texas beat them 7-6; in 1956 when SMU won 19-13 and 1963 when Wisconsin beat Notre Dame 14-9.

• • •

Here's an odd, but true, football fact. Although Yale has been playing big-time football every year since 1872, they have NEVER played a football game west of the Mississippi River. All their away games for 101 years have been in the Eastern half of the nation.

• • •

One of the most unbelievable pro football statistics is that Raymond Berry, the great pass receiver, who was elected to the Hall of Fame this year, fumbled only one time in his whole career. That's amazing when you consider that Berry played pro ball for 13 years and carried the ball hundreds of times after catching passes —yet in all that time he fumbled only once.

• • •

I bet you didn't know that the fast-rising cost of being sick or injured has put millions of Americans in a dangerous spot because their hospital insurance is no longer enough. Our $100,000 excess Major Medical may be the answer.

First 8-Games-Lost Record in 104 Years Confronts Princeton Football

Defeated by the two teams from which it had the best chance of winning any Ivy game this season, Princeton goes into the final third of its schedule confronted by opponents so far out of its class that the only real question is the size of the score they will run up on the Tigers. Because all three are still in the race, and all dearly like to shellack the Orange and Black, the flood gates may open on one or more of the next three Saturdays.

To spell it out in elementary language, six games into the 1973 season, Princeton is still playing a brand of football that ranges from distinctly mediocre to occasional lapses that reflect near total disorganization. In the 7-6 loss to a sputtering, fumbling Brown team, for example, the Tigers badly hampered their own desperate effort to gain position for a final field goal attempt by (1) having only 10 men on the field for a vital punt return, and (2) failing to use their last time out as they drove frantically against the ticking clock.

SPORTS *in Princeton*

Offense Shut Down. Offensively, they have just about ground to a halt, failing to score a touchdown in three of their last four games. Against a Brown team which had yielded an average of 25 points to its first four opponents, the Tigers again folded each time they approached the end zone. In 60 minutes of play, they managed 84 yards rushing after having been debited with minus three for their first half efforts.

In passing, quarterback Ron Beible is winning only the battle of statistics. He was 17 for 29 Saturday, his 59% average ranking at the top of Ivy League quarterbacks who hold the starting assignments on their teams. His yardage of just under 500 has him among the total offense leaders in the league despite the fact that he has lost ground when he runs the ball or is sacked trying to pass.

Beible's problem, one that could be erased by experience gained during a troubled sophomore season, is his tendency to overthrow his receivers — particularly when the opponents' goal line looms near. He is also not achieving adequate deception on the options provided by the veer offense, a problem compounded by the fact that his chronic knee troubles and lack of speed are likely to keep him from becoming a top-flight ball carrier.

In Princeton's third year of a search for a take-charge quarterback, quantity has not been synonymous with quality. Senior Jim Flynn has not played in over a month, senior Fred Dalzell warms the bench so much that when he is called on to pitch in relief of Beible, he cannot produce, and junior Dave Mistretta's future seems to lie in possible conversion to a running back.

It is virtually axiomatic in sports that just as there is rarely a good baseball team without a standout pitcher or a good hockey team that cannot produce a topflight goalie, winning football teams must have a skilled quarterback. More than any other single reason, that's why Princeton football has gone steadily downhill since Scott MacBean developed early in the fall of 1969 to lead the Tigers to a three-way tie for the Ivy crown, and why of its last 24 games over three seasons, Princeton has won just eight.

Defense Fails Again. Because last Saturday, Brown, too, could not field a good quarterback, the Tigers would have won had not their defense broken down for the one crucial drive which allowed the visitors to score the game's only touchdown. Virtually every factor but a muddy field was against Brown's managing to cover 78 yards to the end zone: the Bruins were penalty-prone, fumble-plagued and their quarterback, Dennis Coleman, was obviously of the belief that he had only to run the ball to gain ground against Princeton.

Run the ball he did — 22 times against a single incomplete pass, averaging an unbelievably miniscule three yards per play on the winning drive. So ineffective was the losers' defense that during the course of the march, Brown converted two third and three fourth-down situations, the last good for the winning points. The Tigers' bubble-type defense was devised to prevent the big ground-gainer, and has largely succeeded, but it sacrifices short yardage particularly through the middle, and Brown's patience in nibbling away at that sector Saturday meant the difference on the scoreboard.

After a scoreless first half (during which the closest either team came to scoring was Brown's ability to spill Walt Snickenberger for a seven-yard loss and a near safety), the Tigers recovered succesive fumbles in Brown territory. On the first opportunity, they made it to the Bruins' 10 but lost three yards on the next three shots and settled for a 30-yard field goal by Scott Morrison.

On the second chance, they actually got Snickenberger into the end zone from 16 yards out but, as is so often the case with teams mired in a disastrous season, a holding penalty nullified the play and Morrison followed with a 27-yard field goal. Not really to anyone's surprise, six points were not enough and, coupled with the 14-13 loss to Columbia, the Tigers have now dropped two one-point decisions in a single season for the first time in 11 years.

TIGERS HAVE DONE WELL

In Past at Cambridge. The one opponent of its more traditional foes that Princeton has been able to dominate clearly in the past decade is Harvard. The Tigers have not lost at Cambridge since 1963, and of the last nine games in the rivalry, the Orange and Black has won six.

All this is virtually certain to end Saturday, because the Crimson has a number of outstanding players, is sky-high after its last-minute triumph over Penn on Franklin Field and hopes to win its first outright title in Ivy football history. To do so, it must defeat Princeton, Brown and Yale with Penn going down before Yale, Columbia or Cornell, and Dartmouth being upset by Columbia, Cornell or Princeton. Should Yale take its three remaining games and the leaders all falter once, the first four-way tie in Ivy history is possible.

Harvard coach Joe Restic was under some fire for his mediocre showing in his first two seasons, until this team moved out to a 5-1 mark after having been picked for another second division finish. Quarterback Jim Stoeckel has been the key to the ignition, guiding the most impressive Crimson offense in many years.

A 6-6 end, Pat McInally, has been a major factor as a receiver in Harvard's aerial game, which last week saw Stoeckel throw 48 times with 27 completions. A capable field goal kicker in Bruce Tetirick rounds out the attack that should give the home team a measure of revenge for recent Princeton indignities.

QUICK LOOK AT HARVARD

OFFENSE: Fine balance between passing of quarterback Jim Stoeckel and good ball carriers, headed by fullback Neal Miller.

DEFENSE: Yielded 54 points to Dartmouth and Penn but is good enough to contain Princeton.

CHIEF ASSET: Solid offense backed by desire to stay in Ivy race by winning on home field.

CHIEF PROBLEM: None, really, against Princeton. Man for man, Crimson is better at virtually every position.

PHS, Upset, 9-7, Hopes to Change Losing Ways

The goal of the Princeton High School football team to win the first official Mercer County League Championship started to unravel in the wake of Saturday's 9-6 upset by Steinert and it may well be frayed beyond repair if it loses its next outing to Notre Dame.

The Irish, which PHS will oppose Saturday at 2 at Notre Dame, and PHS are 3-1 in League play, while Hamilton, which PHS defeated in its opener, is 4-1. Princeton's final game is with Trenton, while Notre Dame faces St. Anthony. Hamilton's final league game will be against Steinert on Thanksgiving day.

Since the steadily improving Hornets of Hamilton (they have won their last four) figure to defeat Steinert, PHS is faced with a must-win situation against Notre Dame if it hopes to share the crown. To win, the Little Tigers must contain Tom Voyda, the Irish's standout runner.

In its last start, Notre Dame defeated St. John Vianney, 34-20, Friday night and PHS coach Dick Wood reported that Notre Dame looked good "They played one of their better games," he said.

Voyda, commented Wood, is an all-around good player. "He's big and he's good." He described him as one of the best college prospects in the area.

Princeton High, for its part, has mounting problems. Its offense has been sputtering. Aside from the easy victory over winless Hun, PHS has lost three of its last four. Steinert, which had won only two games previously, ran straight at the PHS line all day and gained 218 yards, a feat that certainly did not escape Irish scouts.

What's more, there are injuries to key players. Quarterback John Mooney suffered torn muscles in the Steinert game, sat out the second half on a streteher, and Wood says he will not know for a couple of days if he can count on him for the Notre Dame game. Ron Campbell, starting halfback, hurt his leg again and center John Figueroa and tackle Dave Harwood sustained lesser injuries.

If Mooney can't start, Wood will go with Pete Barnett, a 6-1 junior converted from center last year to quarterback. In his brief appearance in the Steinert game and considering it was his first time under the gun, Barnett looked sharp. Wood said that he would be working with him all week.

A Happy Man. Steinert coach Pete Brescia, said Wood, "was a very happy man" after Saturday's upset. "I don't blame him; he had a right to be," added Wood.

The visiting Spartans just moments earlier had stunned the PHS team when Tom Nowicki kicked a 12-yard field goal. The ball just cleared the crossbar. Three straight running plays previously from inside the four by Louis Giallela had netted the Spartans absolutely nothing.

THE STOPPER: Very little gets by tackle Dan Poling, who anchors the PHS line and at 220 pounds is the heaviest player on the squad.

DAVID HARWOOD, 6-3, 205 lb. tackle and co-captain of the PHS football team, played on outstanding defensive game against Steinert.

The Little Tigers refused to roll over. Bob Zinsmeister, the one the team turns to whenever it needs a big play, used 10 of the remaining 22 seconds when he returned the kickoff to the Steinert 36, almost going all the way. Barnett then passed to Rich Warfield to the 14. Seven seconds left.

In trotted Steve Tomlinson who had not missed a single extra point attempt in 24 tries, had kicked one field goal from the 15 and who kicks for distance on all kick-offs. For him, the try from the 20 was little more than a chip shot.

However, Princeton's bid for a dramatic comeback win evaporated when linebacker Sam DeCara blocked the attempt. "Looking back," observed Wood, "I should have taken more time to set up for it. Kicking is one of our strong points; we work on it all week."

PHS lost a precious second, perhaps, when with the regular center Figueroa sitting on the bench, the snap was high. "It may have taken a little bit longer," Wood agreed, but he still maintained that Steinert should never have been allowed to break through. Tomlinson would have made the kick without any trouble, he predicted, had the defense held.

It was an afternoon of irony for Tomlinson. Although he has kicked every extra point without a miss, none had meant the differenee between victory and defeat — until it appeared that the Little Tigers were going to make its 7-6 margin stand up against Steinert. Then given another chance . . . the high snap . . . the break down.

PHS Scores First. PHS scored its only touchdown of the game with 4:09 left in the first quarter. Mooney connected with Zinsmeister alone near the sidelines with his second pass of the game and the play covered 6f yards.

It was to be Mooney's high point for the afternoon. Of 15 passes he attempted in the first half, he completed three and had three intercepted. The second Steinert theft by DeCara led to Steinert's only six pointer.

DeCara picked off Mooney's intended aerial to Zinsmeister and returned it some 40 yards to the PHS 10, Mooney making the saving tackle. In three plays Steinert took it in with 1:32 left in the half.

DeCara went from hero to goat, however, when he fumbled the snapback on the conversion attempt PHS had kept Steinert at bay in the first half with intereeptions by Zinsmeister and Steve Kopp and a fumble recovery by Harwood.

Steinert Dominates. The second half was, unexpectedly, all Steinert. It took the opening kickoff and used all but 3:30 of the third period grinding out a 75-yard drive from its 20 to the PHS 5. Quarterback Joe Leone sent his baeks, especially Bob Baumeister and Pete Burd, erashing against the center of the PHS line, play after play. On fourth down, needing two yards, Burd was stopped short of a first down by one foot.

PHS could do nothing in three plays, Mooney getting hurt on a third and nine. A nice punt by Jeff Drummond to midfield bailed the Little Tigers out — momentarily. In eight plays, Steinert had a first down on the PHS 17. Here the PHS defense stiffened.

On third down, Jack Bayer threw the Steinert runner for a nine yard loss. Dan Poling and Drummond smothered Leone on fourth down for another loss Barnett, taking over for Mooney, tossed to Mike Diamond for a first down on his first play but the Little Tigers soon stalled again and Drummond punted to the 28.

Bayer on second down threw Burd for another loss. The

next play was a pivotal one. Needing nine yards to keep the ball, Steinert got a lift when Guy Mendelson was charged with illegal use of hands in moving the ball from the 35 to midfield. Not long after the game's final seconds were set when a completed pass and another PHS penalty against Alex Kinnan gave St. Paul's a first down on the four.

In all, PHS had the ball for eight and half plays. As a consequence, the defensive unit had no time to catch its breath from the relentless offensive pounding.

Wood was reluctant to say anything after the upset. "We didn't play well at all," he said quietly.

PDS SEASON ENDS

Croydon Hall Cancels. A season which certainly had its ups and downs ended on a disappointing note for the Princeton Day football team this week, when the school was informed by Croydon Hall that it could not play the final game.

The small school, like MacArthur Military, just did not have enough healthy players left at the end of the season. PDS cannot logically claim a victory since Croydon Hall had agreed to postpone the contest from its originally scheduled date of September 28. At that time, five key PDS players had been suspended for one week.

So, the Panthers end matters for this year at 4-2, including the forfeit by MacArthur Military, and must now wait until next September, when most of the team will return, to continue their upward momentum.

The schedule is in the process of being upraded, and Hun will replace either Croydon Hall or MacArthur on the schedule. Englewood School has also been added.

PDS has never beaten Hun in football, as the football fortunes of the two schools have varied greatly the last few years, but next season the two should meet on fairly even terms.

FINAL GAME SATURDAY

For Winless Hun Eleven. Barring a tie, a dismal season will end with a victory for either the Hun or Admiral Farragut football teams.

After its 32-0 loss to Pingry Friday — its fourth shutout in its last five games, the Hun squad is still winless in seven tries. Farragut, the only opponent Hun defeated last year, is 0-6. Both are primarily running teams.

The contest will be held on the Future Admirals' gridiron starting at 1:30. Midway through the current season, Hun coach Dave Leete, sensing that this was going to be another long fall for the Red and Black, commented, "it looks as if our best chance for a win will be against Farragut." He's hoping he's an accurate seer.

"We're Lacking Something"

Visiting Pingry scored twice in the first period on long passes over the heads of the Hun defenders, and the early scores "set the stage for what was to happen," said Leete.

Once again, Hun was unable to get its punchless offense moving. Said Leete, "We're lacking something. I don't know what it is."

JADWIN PROGRAMS SET

RUG MART WINS TITLE

In Senior Midget Football. A 7-6 victory over Princeton University Store Sunday gained for The Rug and Furniture Mart championship of the senior dividion of the Princeton Midget Football League. In the first game, Princeton Fuel Oil stopped Nassau - Conover Motors, 19-0.

The season's final games Sunday will decide whether Fuel Oil or Nassau Conover finishes second.

A 77-yard punt return by Keith Phox staked U-Store to a 6-0 lead over Rug Mart. It marked the first score against a Rug Mart team in two seasons. Held in check by a determined U-Store defense led by Chris McDonald, Cory Easter, Kevin Murphy and Tom Seiler, the Rug Mart finally broke through in the final period on a pass interception by Bob Littel. The conversion was good.

Ron Ward led the Rug Mart offense with 117 yards. The victors' defense was paced by Bob Campbell, Bob Rumer & Ward.

Two Ice Skating Rinks Planned For W. Windsor

The Mercer County Park Commission has received matching grants from the federal government and the county to construct two ice skating rinks in Mercer County Central Park, West Windsor.

The rinks, both equipped for making artificial ice, will be under the same roof. The first will measure 85' x 200' and the second 85' x 100'. The smaller one will be set aside for use by young children and specialty skaters.

The rinks will not be enclosed as per federal regulations which limit construction to either a roof or sides. The new facility will be built adjacent to the ball fields and will include an additional parking lot to serve both the rinks and the playing areas.

Presently there are only four rinks in the county, all in schools, and only one, Princeton University's, is open to the public on a limited basis. Mercer County Park Commission president Richard J. Coffee notes that changing weather patterns, which have brought warmer winters, have made it more and more difficult to skate outdoors.

"This has created a need for rinks that can be available for skating regardless of weather conditions," says Coffee.

It is expected that the new facility will encourage the playing of a school and winter sport that is very popular in colder parts of the country — ice hockey.

In addition to the rinks, the new facility will include a shoe locker, warming room, shoe rental and food concessions, and a first-aid area.

Architectural plans are currently being formulated by Richard J. Charlton of Princeton. It is hoped that bidding can begin in January. Target opening date is October, 1974.

Nassau Conover, with Dave Miller and Mike Budd gaining most of the yardage. Don Gips and Darryl Grisham were on the receiving end of most of the Fuel Oil passes. Grisham, Miller and Mike Budd led the defense.

For Nassau-Conover, Mark Pittman carried the ground game with help from Jay Budd. Standouts on defense for the losers were Bob Cronin, Kieran Esposito and Kelly Robinson.

HILTON, SIBSON WIN

19-0 in Midget Football. Hilton Realty defeated Peterson Construction and Sibson & Co. stopped J.P. Cleaver, both by scores of 19-0, in play last week in the junior division of the Princeton Midget Football League. Both victors have identical 2-0-1 records.

Hilton scored its first TD in the second period behind the running of Jeff Kennedy, Tim Bertone and Tim Wojciechowicz, the latter getting the last 11 yards on an off tackle play behind perfect blocking. In the fourth period, Steve Budd interecepted a Peterson pass and returned it 22 yards. Budd, Wojciechowicz, Kennedy and Bertone then combined to move the ball to the one, Kennedy taking it in.

Hilton's final tally came on a one-yard plunge by Budd. A 10-yard aerial from Kennedy to Bob Rice had set up the score. The defense was led by middle linebacker Bertone who had 11 tackles, Rice (8 tackles) and Jeff Seiler, Budd and Ed Dean.

Bill Jasien, Jerry Moyer, each with 8 tackles, led the Peterson defense. Ed Furfey, Todd Breithaup and Andy Charen combined for 17 more. Furfey and Breithaup accounting for six apiece.

Peterson threatened to score on the passing of Jerry Moyer to Tom Lion and Charen but the drive was halted by a fumble.

Kennedy Goes 60 Yards. A 60-yard run by Michael Kennedy to the six-yard line set up Sibson's first score against Cleaver. Freddy Romero, who also scored the extra point, ran the ball over.

Then, following a Cleaver fumble, David Barclay rambled 25 yards on the next play for Sibson and Bob Taylor broke free to the four-yard line from where James Varney scored. The final six-pointer was scored by Bob Taylor on a short run.

Defensive standout for the victors were Clyde Pennell, Michael Kennedy and Taylor. For Cleaver: Mark Budd (10 tackles) Peter Nelson, John Pirone and Todd Kuhn. The losers' attack was paced by the running of Dan Miller, Tom Bolster and Bruce Cleveland and the passing of Budd

PHS X-COUNTRY VICTOR

In Battle of Unbeatens. The big showdown between the Princeton High School cross country team and Ewing, both of which were unbeaten at the time, was something of an anti-climax last week as the Little Tigers (14-0) won easily, 18-39. Led by Pete Nichols (13:53), PHS captured the four top spots: John Woodside (14:03), Royce Flippin (14:08) and Tim Anderson (14:13).

Later on Friday, the same foursome finished in record time of 14:04 over Princeton Day School's 2.8 mile course, as the Little Tigers trounced the Panthers, 15-50, and Englewood, 16-45 in a tri-meet. The PHS jayvees were even more successful, shutting out both teams, 15-50. Together, the varsity and junior varsity Blue and White teams have a 28-1 record.

BRIDGESTONE
Steel Radial Tires

in the Princeton area . . .

THE SAME STEEL RADIAL TIRE RATED NO. 1 IN THE OCTOBER ISSUE OF CONSUMER REPORT

Mr. Car Owner: If you are going to invest a substantial amount of money in the purchase of a new set of steel radial tires, how do you know which one of the many brands available today is the best?

"Speaking from my experience after dealing with hundreds and hundreds of cars, and putting many different tires on them, I have found that the Bridgestone Tire Company is the only tire franchise that can give the public the value and the quality that it is looking for in a steel radial tire. We at Eldridge feel that the choice must be Bridgestone once it is critically compared against any steel radial tire. It is competitive in price and far, far superior to any steel radial tire that we have ever encountered."

Edward Baker

Owner, Eldridge Buick-Pontiac

Radial Tire Features

1. Longer life.

The radial tire has rigid belts embedded under the tread. This reduces tread movement and wear, providing an economical advantage over conventional tires.

2. Shorter braking distance.

Firmer road contact plus a special tread compound and pattern combine to shorten considerably the required braking distance.

3. Faster, safer turning on curves.

Because a radial tire is designed for greater cornering power than a conventional tire, it allows faster and safer handling on curves.

4. Less fuel consumption.

Since the tire configuration is distortion-free, there is less rolling resistance at higher speeds. This means greater gas economy.

5. Higher maximum speeds.

Because of less rolling resistance and wear, top speed is increased.

VOL., XXVIII, NO. 36 THURSDAY, NOVEMBER 8, 1973 15c At All Newsstands

Democrats Win Both Princeton Races; Martindell State Senator

All Princeton's Democratic candidates strolled easily to victory in Tuesday's election, following a county-wide and state-wide pattern. Crucified by Watergate and certainly not helped in New Jersey by the top of the ticket, Republicans quite simply took a beating. Even the one Princeton Republican incumbent disproved the old idea that incumbents have an easier road to victory.

In the Township, where the mayoralty was at stake, Democrat Jay Bleiman won an easy victory over Republican Everett Garretson for the three-year seat. Mr. Bleiman thereby assures himself another year as mayor, because Township mayors are elected by the Committee itself from its majority party. Democrats are now a 4-1 majority in the governing body.

Mr. Bleiman's running-mate, Ellen Peterson, beat incumbent Republican Sanford Reynolds for the one-year Committee seat that fills out the term of Committeeman James Floyd, who resigned last year.

Mr. Bleiman's tally was 3,106 to Mr. Garretson's 1,950. Mrs. Peterson defeated Mr. Reynolds by 2,977 to 2,173.

When Mr. Bleiman first ran for Committee three years ago, he won by only 125 votes. This time, his margin was 1,150.

In the Borough, both Democratic incumbents were re-elected to Council for three-year terms. Joseph P. Moore, running high on the ticket with 1,938 and Martin P. Lombardo with 1,881 defeated Republicans Margaret Penick with 1,323 and Robert Pols, 1230. Borough totals do not include absentee votes.

In this year of political turmoil, only about half of Princeton's voters decided they wanted to vote. In the Borough, 54.8 percent of the registered voters voted, and in the Township, 58.2.

Last time New Jersey voted for a governor—in 1969—the Borough produced 69.9 percent of its voters and the Township, 70.7 percent.

Like voters elsewhere in New Jersey, Princeton bowed in Brendan Byrne with a tremendous flourish. The Democratic gubernatorial candidate drew 6,025 votes from Borough and Township voters combined, compared to Charles Sandman's total in the two Princetons of 1,454.

Several voters wrote in the name of Governor William T. Cahill. Princeton Republicans unofficially tallied 74 votes for the Governor in the Township. His Borough tally was not immediately available.

In the area's closest election, Princeton resident Anne Martindell, a Democrat, won a narrow upset victory over State Senator William Schluter, with a plurality of 1,800 votes out of some 53,000 cast. She carried both Princetons: in the Borough, her total was 1,918 against his 1,243. In the Township, she won 2,555 to the Schluter 2,292.

At the Mercer County and New Jersey state levels, Princeton voters gave top positions to the Democratic candidates, joining in the state-wide sweep.

At Princeton's Republican gathering Election night, at the Nassau Inn, Republican Club President Richard Baker waited until 9:20 before acknowledging formally the party's defeat. He told the glum assembly that the newly-revived Republican Club has over 500 paid-up members and is ready to begin "tomorrow" for '74.

One despairing party-worker was heard to comment that "this town has changed irrevocably," but it was Election-Night fever. Only two years ago, Republicans won both seats on Borough Council and the mayoralty, and a stunning victory on Township Committee.

Four years ago, only one Democrat made it to victory in either Princeton. The Borough hasn't had a Democrat as mayor for 12 years, and the Township has only had Democratic mayors for two years.

So, while Republicans try to cheer themselves up and Democrats celebrate, a look at the town's election districts and how they went, makes good armchair entertainment.

In the Borough, Mr. Moore ran
